## Attention

If you inadvertently bring a product not in accordance with these rules, **know that**, when you arrive at an airport or port of the EU, **you must declare it to Customs**.

If **Customs detect** one of these products in your luggage without having declared it, the product will be seized and destroyed and you may also be subject to a **fine or legal process!**

## If You Travel with Products of Animal Origin From non-EU Countries

Know that **Products of Animal Origin** may carry **Pathogens Responsible for Infectious Diseases** that can be a risk for **Animal and Public Health**.

These rules do not apply to products of animal origin from Andorra, Liechtenstein, Iceland, Norway, San Marino, Switzerland and Northern Ireland, to which apply rules for movement within the EU.

### Know that You Can Not Bring

- **Meat and Meat Products**
- **Milk and Milk Products**

Except from Faroe Islands or Greenland provided their weight do not exceed 10 kg per person.

### Know however that You Can Bring

- **Powdered Infant Milk, other Infant Formula**
- **Food for Special Medical Purposes**
- **Petfood Required for Health-related Reasons**

Since the product does not require refrigeration before consumption, is a packaged proprietary brand product and the packaging is unbroken unless in current use. 2 kg max. per person or up to 10 Kg if coming from Faroe Islands or Greenland.

- **Fishery Products:** Fresh fish (if eviscerated), dried, cooked, cured or smoked.
- **Shellfish:** Prawns and lobsters, dead mussels and dead oysters.
- **Products of Animal Origin:** honey, live oysters, live mussels and snails.

20 kg max. per person or the weight of one fish, whichever weight is the highest. These restrictions do not apply to the Faroe Islands or Iceland.

2 kg max. per person or up to 10 Kg if coming from Faroe Islands or Greenland.

For certain protected species there may be additional restrictions in place. For example for caviar of sturgeon species, the weight limit is 125 g per person.
