

September 4 - 6, 2023
Campinas, Brazil

DAY 1 – 4th SEPTEMBER

- 8.00-10.30 h Registration
- 10.30-11.00 h Opening/welcome
- 11.00-12.00 h ICFC2023 – “Let’s Open the Horizons” Portugal meets Brazil (Prof. Dr. Carlos Oliveira, FZEA/USP, Brazil | Dr. Paula Alvito, INSA, Portugal)
- Musical moment
- 12.00-12.30 h “EFSA strategy 2027 – Science, Food and Sustainability” (George Kass, EFSA, Italy)
- 12.30-14.30 h Lunch
- Session 1 – Occurrence of Food Contaminants Worldwide
- 14.30-15.00 h “Understanding Fungi Contamination across the Food Chain in Brazil: Challenges and Opportunities” (Dr. Marta Taniwaki, Instituto de Tecnologia de Alimentos, Brazil)
- 15.00h-15.30h Oral communications (2)
- 15.30h-16.00h Coffee break, networking and poster viewing
- 16.00-17.00h Oral communications (4)

DAY 2 – 5th SEPTEMBER

Session 2 – Exposure Assessment and Health Impact

- 9.00-9.30 h Innovating in the exposure and risk assessment of chemical contaminants – exploring synergies with the European PARC Project (Dr. Maria João Silva, Department of Human Genetics, INSA, Portugal)
- 9.30-10.00 h European risk assessment of chemical mixtures (Online Speech) (Dr. Jacob van Klaveren, National Institute Public Health and the Environment, RIVM)
- 10.00-10.30 h Oral communications (2)
- 10.30-11.00 h Coffee break, networking and poster viewing

September 4 - 6, 2023

Campinas, Brazil

- 11.00-11.30 h Current efforts on the characterization of Ciguatera Fish Poisoning as an emerging risk in several coastal areas of the European Atlantic Coast” (Prof. Dr. Ana Gago Martinez, Analytical and Food Chemistry Dpt., CINBIO, University of Vigo, Spain)
- 11.30-12.00 h Oral communications (2)
- 12.00-14.00 h Lunch
- 14.00-14.30 h The dietary exposome: a challenge for toxicologist or the dietary exposure: a challenge to study the toxicity of mixture (Dr. Isabelle Oswald, ToxAlim, Research Centre in Food Toxicology, INRAE, France)
- 14.30-15.00 h “The Urban Water-Energy-Food Nexus: Social Practices and Adaptability in the Context of Contemporary Global Changes” (Prof. Dr. Leandro Giatti, Faculty of Public Health, University of São Paulo, Brazil)
- 15.00-15.30 h Oral communications (2)
- 15.30-16.00 h Coffee break, networking and poster viewing
- 16.00-16.30 h Oral communications (2)
- 16.30-17.30 h Round table on “Brazil meets Europe - Exposure Assessment and Health Impact”
- 20.30-22.30 h Conference Dinner

DAY 3 – 6th SEPTEMBER

Session 3 – Health, Environment and Sustainability of Food Systems

- 9.00-9.30 h “Public Health, Food and Sustainable Development” (Dr. Fernanda Martins, Diet & Health Manager for Latin America, Unilever, Brazil)
- 9.30-10.00 h “Environmental Circularity: Agriculture; Waste Management; Insects” (Dr. Diogo Cardoso Department of Biology, University of Aveiro, CESAM, Portugal)
- 10.00-10.30 h Oral communications (2)
- 10.30-11.30 h Coffee break, networking and poster viewing
- 11.30-12.00 h Oral communications (2)
- 12.00-14.00 h Lunch

September 4 - 6, 2023
Campinas, Brazil

Session 4 – Networking and Societal Concerns of Food Contaminants

- 14.00-14.30 h The Power of Global Networks for Capacity Building in Mycotoxin Research (Online Speech) (Prof. Dr. Sarah De Saeger, Centre of Excellence in Mycotoxicology and Public Health, Ghent University, Belgium)
- 14.30-15.30 h Round table on “Networking and societal concern of food contaminants”
- 15.30-16.00 h Coffee break, networking and poster viewing
- 16.00-16.30 h Oral communications (2)
- 16.30-17.45 h Best Poster Award
- 16.45-17.15 h Portugal meets Brazil - Top Lessons Learned
- 17.15-17.30 h Closing Session
